IR Package Solution

Audit Solutions

- Dramatically Reduce Operating Costs upto 40%
- Improve Productivity-Air-leaks, Moisture etc.
- Minimize/Eliminate Future Capital Costs

Integrated Project Management
Turnkey Solutions

- Design System & Equipment supplies
- Infrastructural Works-Compressor House, Piping & Distribution, Installation & Commissioning
- Life Cycle Management

Rental Compressors and Dryers

- Address temporary air solutions needs
- Avoids capital expenses

Operations and Maintenance

- 24 x 7 x 365 presence at site
- Manpower liabilities & training
- Fixed and predictable costs
- Logistics & administration

System Controllers

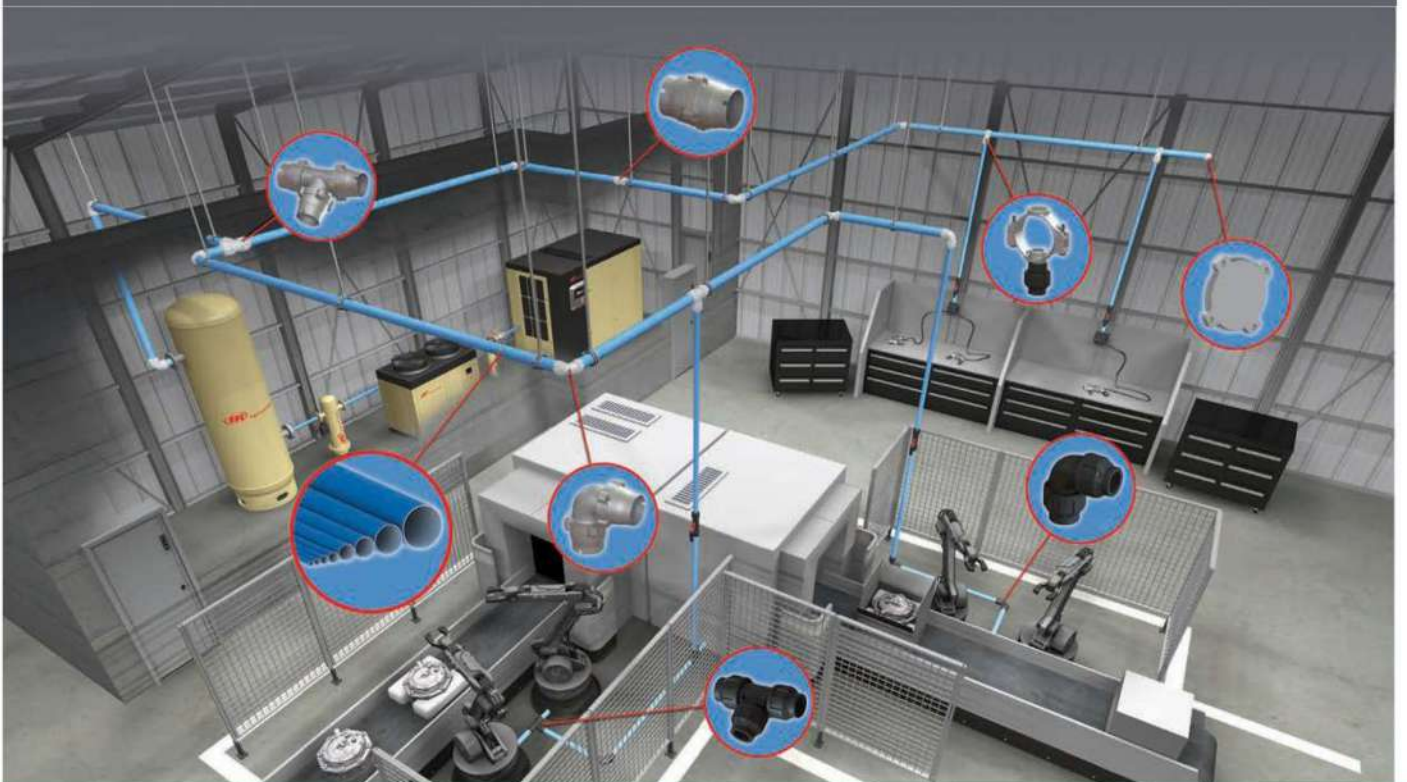

- X-Series Automation
- Air System Controller
- Peer-to-Peer Controller

Condensate Management

- PolySep : Efficient Oil Water Separator
- Electric Drain Valve
- Electric No-Loss Drain (ENL)
- Pneumatic No-Loss Drain (PNLD)

Photoelectric Sensors.

Photoelectric Sensors

- Built-in amplifier sensors
- Ultra- compact type
- Compact type
- Built-in power supply sensors
- U-shaped sensors
- Photomicro sensors
- Cylindrical sensors
- Liquid level sensors
- Color mark sensors

Temperature Controllers

- PID temperature controllers
- Digital display type
- Analog display type
- Multi- channel modular type
- Refrigeration controllers
- Temperature/humidity sensors

Solid State Relays

- Single- Phase SSRs
- Slim, detachable heatsink type
- Detachable heatsink type
- Integrated heatsink type

- Digital Times
- Analog Timers

Vision Sensors

- Digital display sensors
- Non-indicating sensors

Counters

- Standard digital counters
- Compact Size Counters
- Counter/ Timers

Rotary Encoders

- Incremental rotary encoders
- Absolute rotary encoders
- Magnetic rotary encoders
- Flexible coupling

Sensor Controllers

- Multi- functional controllers
- General purpose controllers

Switching Mode Power Supplies

- DIN rail SMPS
- General purpose SMPS
